Stuart's Dyspepsia Tablets contain fruit and vegetable essences, the pure concentrated tincture of Hydrastis, Golden Seal, which tone up and strengthen the mucous lining of the stomach, and increase the flow of gastric and other digestive juices; Lactose (extracted from milk); Nux, to strengthen the nerves controlling the action of the stomach and to cure nervous dyspepsia; pure asacetic Pepsin of the highest digestive power and approved by the United States Pharmacopoeia.

One of the ablest professors of the University of Michigan recently stated that this Pepsin was the only asacetic pepsin he had found that was absolutely pure—free from all animal impurities; Bismuth, to absorb gases and prevent fermentation. They are delicately flavored with concentrated Jamaica Ginger—in itself a well known stomach tonic.

BURGLARS ARE AT WORK AGAIN IN EL PASO

Secure Goods From Octavia
Drug Store—Other
Losses Reported.

Burglars are again at work in El Paso and the police have received reports of three burglaries which have occurred during the past 48 hours.

Some time after 9:30 last night, when the Octavia drug store, at the corner of Octavia and Boulevard, was closed, burglars entered and helped themselves to goods valued at between \$50 and \$100.

An entrance was forced through the rear transom which was broken open and the burglars helped themselves to cigars and toilet articles.

The Colorado saloon on Main street near the corner of Oregon street just opposite the plaza was burglarized, two packages of tobacco and \$5 cents in money being secured by the burglars, who forced an entrance by breaking the rear window.

Late Wednesday night or early the following morning, the front door of the Miller cigar store, on San Antonio street near Oregon, was broken in, burglars forcing the lock. Cigar chips to the amount of \$15 were stolen and the burglars, evidently thought they had secured money, but upon learning that they had nothing but brass checks, they left them in Kansas street, in front of the courthouse. There they were found by a Mexican boy, who was arrested with them in his possession. He was later released, as he proved that he had picked them up in the street.

VERDICT IN DAM HEARING SHORTLY

Attorney Burges and Postmaster Smith Return
From Socorro and Magdalena.

"I expect a verdict rendered within a week," said attorney R. F. Burges, just returned from the Elephant Butte condemnation proceedings in progress at Socorro. The special government commission to decide the price to be paid the Victorio Land & Cattle company for lands necessary to the Elephant Butte dam operations has completed investigation.

"Capable men compose the commission, and I believe they will render a fair verdict," said the local attorney, who acted as special counsel for the government. "Of course there will be no mutually satisfactory agreement, for the company desires much more than it is likely to receive."

Following the conclusion of the hearing Wednesday, the commission made a trip to the mines near Magdalena and enjoyed a picnic luncheon. Postmaster J. A. Smith, who was called to the city last night with Mr. Burges.

The Victorio company wants \$600,000 for the land and the government has offered \$25,000 for it. It is generally believed that the commission will fix the price for the 36,000 acres at \$60,000.

Either side has the right to appeal from the verdict of the commission. But if the price fixed by the commission is anywhere within the bounds of reason, the government will deposit the money and take possession of the land, and if this is done, then active construction work on the dam will begin at once.

AUNT OF TWO EL PASO TEACHERS DEAD AT CUERO

Copies of the Cuero, Tex., Daily Star have been received here announcing the death of Miss Cornelia Lynch, the aunt of Miss Katherine Brownson and Mrs. Mamie Kate Henry, who are teachers in the El Paso schools.

Miss Lynch was also in charge of the primary department of the Huntsville, Tex., schools at the same time Supt. F. M. Martin was superintendent. Supt. Martin said today that Miss Lynch was without an exception the best primary teacher he had ever known.

"That statement needs no qualification," Supt. Martin said. "Her methods were as original as they were effective and her results were astonishing."

Miss Lynch was 61 years old at the time of her death, which resulted from an illness which had extended over the greater part of the last year. She was the daughter of the late Capt. Francis J. Lynch, one of the best known residents of southern Texas. She was born near Brandon, Rankin county, Mississippi.

Both Miss Henry, who is English instructor in the Lamar school, and Miss Brownson, of the mathematic department of the San Jacinto school, left last week in answer to telegrams announcing the serious illness of their aunt. They will return to resume their school work next week.

FUNERAL HELD TODAY.

Funeral services for Ralph A. Stratemeyer were held this morning, Rev. Robert Bruce Smith officiating. Interment was made in Evergreen cemetery.
